**At Kohl Children's Museum, we know that birthdays should be AWESOME!**

Celebrate the milestone with a day that's fun and educational at Kohl Children's Museum of Greater Chicago! Treat your guests to a day of fun and learning by hosting a Museum birthday party — you'll get a private room to celebrate, plus your guests get full-day admission to explore, wonder, and learn **before, during or after your party time!**

### All birthday party packages include:

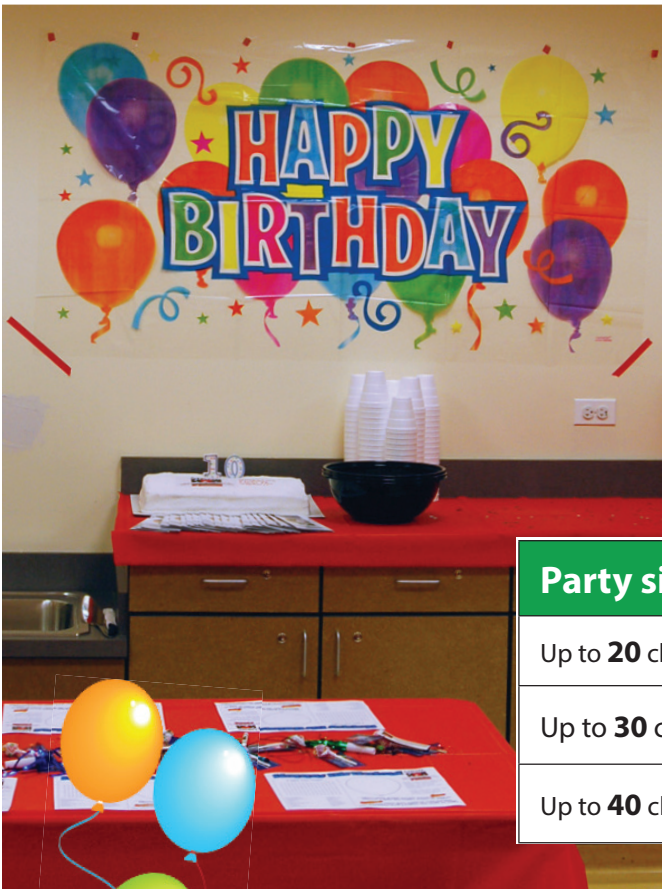

- Use of a **private party room** in the Museum
- **Full-day admission** of learning and play for all your guests
- Pricing based on number of children age 15 and under — **no charge for adult guests**
- **Curbside service** for drop off of party set-up supplies
- A **party assistant** to help with set-up and clean-up

**Flexible options:** Personalize your party by bringing in whatever pre-cooked food options you desire, or make it easy on yourself by ordering catering options from our onsite Cosi Café restaurant.
