Tally Ho! Join Nature Cat and his friends on their outdoor adventures!

There's so much to learn about nature — in your own backyard and beyond! In this immersive exhibit, walk through Fred the house cat's scratching post and transform into Nature Cat, *Outdoor Explorer Extraordinaire!* Dress up as one of Nature Cat's pals as you explore a marsh, a cave, a forest, and more — slip down Ronald's slide, help Daisy build a flower garden, and have fun hunting for Hal's flying disc. Additional interactive elements include:

- Discover bioluminescent organisms
 - Research facts on Daisy's tablet
 - Snap selfies with Nature Cat and his friends
- Onward and Yonward!**
